

Deb Weyer and Something Powerful NCHA Top 15 \$35,000 Non-Pro

This year marks Deb Weyer's tenth year in the cutting pen. And this year, she and her new horse "Something Powerful" qualified for the NCHA Top15 in the \$35,000 Non-Pro.

This is Deb's third NCHA Top 15 achievement, earning her two priors aboard her "then" horse, "Young Boogie Man". The duo earned Top 15 honors in the \$20,000 Non-Pro and the \$10,000 Amateur

Deb says "Something Powerful is just a big, good, solid, pony". "He's not fancy, but he will go and slide and hold a cow and very seldom loses a cow unless it's pilot error." "Doesn't take a lot of loping or special handling, just go lope him and go show. He will get you there", she added.

The 2004 AQHA sorrel gelding x Somebody Smart is out of a Playboy daughter. The gelding was originally trained by Scott Martin.

Deb purchased the laid back and easy going gelding at the NCHA Futurity Sales in December 2011. She took the horse to Arizona and Tom Campbell. Deb began showing her horse at the AZ winter shows. And that's when the winning began. She ended her season on a winning note with paychecks everyday at the Batesville, Mississippi shows in November under the coaching of trainer Bill Pierce.

Next on the agenda: the Watt Arena and Fort Worth, Texas!
